47 year old Man in Malibu, California

Looking For: Women or Couples (2 women) for erotic email exchange, phone fantasies or active participation

Profile for BrainyPassionat

My two defining personality traits are brains and passion. These are on the intense side. I am fortunate enough that I have a public life that is filled with discovery, creativity, and exploration in the intellectual arena, but I am privately a very passionate person with an equally intense passionate and sexual drive. I want to find someone who will be able to travel with me through this adventure, and at the same time enjoy a man who can articulate his thoughts. So, if you want INTENSITY, and I mean that!, I can do some wonderful cyber and phone chats. Then, when the time is right for both I can bring it on real and act out your inner most fantasies.

Yes, the photo looks like me. I don't lie, and am completely turned off by those who do. If you start with a lie, what can one expect during the rest of the relationship? Show me what you really look like (doesn't have to be trophy), but please don't download some porn trumpet's picture off the internet. Be real except in the cybersex fantasies.

I am well experienced in vanilla sex and its raunchy fringes (oral, cum play, etc.), but now I have found that my appetite has grown to appreciate variety in other uninhibited and open sexual experiences a . I am definitely open to encounters if you are D/D free, as I am. I practice safe sex.

I like to engage and explore some dominant and kinky fetishes (not painful). Also, enjoy commanding women to tease strange men in unusual and kinky ways to the point of absolute insanity. I also have similar friends who are willing to join in for the fun.

I can stimulate your mind as well as your body. I spent my very public life doing a lot of good projects for others, but in private I would like to do a little domination for a change. I am happy to engage in some very stimulating and mutually erotic e-mail exchanges (perhaps in some definite cases leading to more) exploring both of our fantasies. I have a very active imagination! ;-)

My Ideal Person:

someone who is willing to be open-minded and uninhibited willing to explore the fringes with me. No offense, but I am definitely not interested exploring with TS, TG, or TV.

Profile for BrainyPassionat

I am well experienced in vanilla sex and its raunchy fringes (oral, cum play, etc.), but now I have found that my appetite has grown to appreciate and need a variety of other uninhibited and nasty and kinky sexual experiences. I have now become quite experienced, and am able to go for hours and hours and hours. My appetite seems to be unsatiable. I should seek counseling, but alt is way more fun! I have a very active and creative imagination, but am not a psycho. I am definitely open to r.t. encounters if you are D/D free, as I am. I practice safe sex.

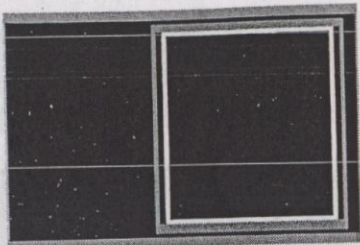

I also have similar friends who are willing to join in for the fun both male and female. I have been in three, four, and fivesomes. I have had a lot of porno movies shot at my house, and have always become "friendly" with the girls.

Depending on the situation or partner. I can be dom or sub or can switch. I like all three.

My Ideal Person:

someone who is willing to be open-minded and uninhibited, particularly nasty and kinky wet sex, willing to explore the fringes with me. No offense, but I am definitely not interested exploring with TS, TG, or TV.
